

CARIEER OBJECTIVE:

A motivated and detail-oriented Front-End and MERN Stack Developer with a strong foundation in HTML, CSS, Tailwind CSS, JavaScript, React JS, Node JS, Express JS, MongoDB, and Firebase. I am eager to leverage my skills to develop robust, responsive, and user-friendly web applications. Seeking an opportunity to contribute to a dynamic team, enhance my expertise, and grow within the field of full-stack development.

Skill:

Programming Languages: JavaScript

Frontend: HTML, CSS, Tailwind CSS, Bootstrap, React JS

Backend: Node JS, Express JS,

Database: MongoDB

Project:

1. **Restauranty:** As a front-end web developer, I design visually appealing restaurant websites using HTML, CSS, JavaScript, and React JS. My focus is on creating intuitive navigation and engaging layouts that effectively showcase menus and features, enhancing customer experience and driving engagement.
